Kathy Barnette Receives Eagles' Endorsement for Pennsylvania's Fourth Congressional District

Washington, D.C.: "In the tradition of the late Phyllis Schlafly, I am pleased to endorse Kathy Barnette for Pennsylvania's Fourth U.S. House District," said Ed Martin, successor to Phyllis Schlafly and the head of her Phyllis Schlafly Eagles organizations. "We endorse candidates who support the Pro America agenda — candidates who are pro-life, pro-family, and pro-Constitution. Kathy Barnette is a tenacious conservative who has the trust of our Pennsylvania Eagles to be a fierce advocate for these fundamental American values."

Stan Casacio of Pennsylvania Eagle Forum said: "Kathy Barnette has an incredible American story. She knows what is at stake in our nation. She understands the hard work, perseverance, and dedication to liberty that is required to restore our republic. She will serve Pennsylvania's 4th District in the U.S. House of Representatives with integrity and a responsive attitude. I am thrilled to endorse her in this race."

John Schlafly, treasurer of Phyllis Schlafly Eagles, said: "Phyllis Schlafly understood the value of putting your name behind a great candidate for office. Her early endorsement of Donald Trump in 2016 helped to set him on a course for the Oval Office. Likewise, our wonderful volunteer Eagle leaders around the nation who put their name next to local candidates are ensuring that Pro America leaders get elected to public office. We are proud to support their choices and work to see their candidates elected."
